As set forth in the FCIM, no indexing or search of WMFO indices regarding the enclosed information has been conducted. If investigation or search of indices is requested at WMFO, two additional copies of the opening communication (designated 105-NEW) should be directed to WMFO so that a substantive case file can be opened. OO's UCFN must be provided.

[redacted] As WMFO retains no copies of enclosures, it is suggested that this information be retained in your field office for retrieval. It is noted that this type of correspondence could be pertinent to other source information which may develop.

Inquiry at FCI Talladega confirmed subject is currently lodged at that correctional facility.

In view of the fact that subject is well known to the FBI and his contact with [redacted] representatives is already documented, Birmingham anticipates no additional active investigation unless advised to the contrary by FBIHQ. Philadelphia and WMFO being advised for informational purposes only.
